

# Email Instructions for FCRC

---

Created 28 May 2015: Fraser Wilkinson

## Overview

FCRC owns two domain names:

1. fallscreekraceclub.com.au
2. fcrc.com.au

We've obtained fcrc.com.au as it's easier for people to type when sending emails. For example, [admin@fcrc.com.au](mailto:admin@fcrc.com.au) instead of [admin@fallscreekraceclub.com.au](mailto:admin@fallscreekraceclub.com.au). You try it – I mistyped it just now!

## Current Email Addresses

We use the fcrc.com.au domain for emails. The emails listed here are forwarded to people's actual email.

[admin@fcrc.com.au](mailto:admin@fcrc.com.au)

[president@fcrc.com.au](mailto:president@fcrc.com.au)

[committee@fcrc.com.au](mailto:committee@fcrc.com.au)

See "Where is the Email setup" to find out who it goes to.

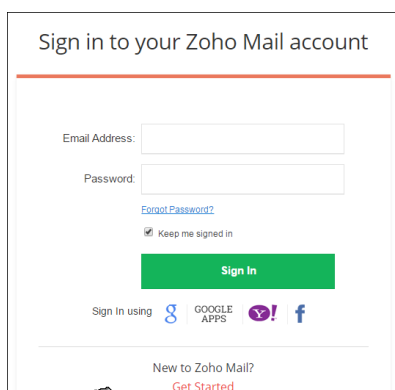

## Where is the Email setup?

fcrc.com.au is hosted by ZOHIO, which is an email server provider for organisations of all sizes. We are allowed up to 10 users for the free version.

Admins can manage email here: <https://mail.zoho.com/cpanel/index.do>

## Using Email Online

Go to <https://www.zoho.com/mail/login.html>

The screenshot shows the Zoho Mail login interface. At the top, it says "Sign in to your Zoho Mail account". Below this are two input fields: "Email Address:" and "Password:". There is a link for "Forgot Password?". A checkbox labeled "Keep me signed in" is checked. A green "Sign In" button is positioned below the password field. At the bottom, there are social media icons for "Sign in using" Google, Google Apps, Yahoo!, and Facebook. A link for "New to Zoho Mail? Get Started" is also present.

## How do I get my login details?
